Welcome Letter of Purpose

Dear The River Church Family,

The purpose of The River Church Policies and Procedures Manual is to establish policies, procedures, benefits, and working conditions that will be followed by all The River Church employees/volunteers while conducting Church business. Through God we value order, in conjunction with the talents and abilities of our employees/volunteers and foster an open, cooperative, innovative and dynamic environment in which individuals at any level can thrive. The Executive Pastoral Leadership team remains unwavering in their commitment to give as unto the Lord by providing services to people in need. Through the policies and procedures set forth in the attached manual this goal may be accomplished.

The policies and procedures manual as outlined will be implemented at the discretion of The River Church Lead Pastor. This manual is not a contract of employment, nor is it intended to create contractual obligations of any kind. Our pastoral leadership provides an open door policy in which employees/volunteers are encouraged to bring ideas/concerns if unable to resolve, or move forward within their ministry service.

Executive Pastoral Leadership will make every effort to notify employees/volunteers when an official change in policy or procedure has been made. Ministry service leaders are encouraged to keep employees/volunteers up-to-date about church policies, procedures, benefits, and working conditions as new information becomes available. No provision in this manual can be waived without written permission from the Church Lead Pastor, or designee. Such a waiver (if granted), applies only to the employee/volunteer for whom the waiver was granted. Revisions and addendums may be added with approval by the Lead Pastor and Executive Ministry Team.

The River Church is an equal opportunity employer. Age, religion, gender, national origin, sexual orientation, race, or color does not affect hiring, promotion, development opportunities, pay, or benefits. The River Church provides for fair treatment of employees based on merit (which shall include intellectual property). The church complies with all applicable federal, state, and local labor laws for 501C-3 organizations. Employment at The River Church is on an “at will” basis, which means that either the employee (if applicable), or Executive Pastoral Leadership may terminate the employment relationship at any time, for any reason, with or without cause. Only a written agreement signed by the Lead Pastor of The River Church can change the “at will” nature of the employment of any individual.

Please read the policies, procedures, working conditions, and benefits described in this manual. You will be asked to attest that you read, understand, agree to abide by, and acknowledge your receipt of this manual via signature of the Acknowledgement Receipt.

I look forward to embracing this process as we move to be the Cities Church and beyond.

Faithfully yours,

Ronald L. Godbee, Lead Pastor

HISTORY

History

The founders of The River Church (The River), Bishop Joby and Pastor Sheryl Brady began The River in 1999 in Raleigh, NC. Now located in Durham, NC, The River Church continues to impact the Raleigh, Research Triangle and surrounding communities, through service that motivates and challenges individuals to fulfill their regional and global responsibilities, while ‘fighting the good fight of faith.’ The River Church now partners with the Duke University Health System.

Bishop Brady is a renowned leader in the body of Christ and provides apostolic covering to pastors and church leaders; and his anointing and insight into the revelation of God’s Word touches the hearts of people around the world. He is an international speaker at conferences and leadership seminars, and is recognized by key national leaders for his prophetic wisdom. Bishop and Pastor Brady have three daughters whose families are active in their ministry.

Pastor Sheryl Brady became the Campus Pastor of the Potter’s House of North Dallas (located in Dallas, Texas) in April 2010, under the leadership of Bishop T.D. Jakes. Pastor Sheryl Brady is a Psalmist, recording artist, and speaker at conferences and churches around the world. She is known for her unique worship style and spiritual wisdom, and is often a featured guest on the Trinity Broadcasting Network, Daystar Television Network, The Word Network, and The Inspiration Network. Pastor Brady was the first female speaker at ManPower 2010, which is Bishop T. D. Jakes’ annual men’s only conference. Pastor Brady is the Founder of Sheryl Brady Ministries, The River Church Food Bank, and G-Ma’s Closet which were part of the community outreach ministries of The River Church.

Bishop Godbee Biography

Ronald L. Godbee, Sr. serves as Lead Pastor of The River Church in Durham. A native of Detroit, MI, Bishop Godbee accepted Christ at an early age igniting his love for God and inspiring him to preach his 1st sermon at just 19 years old. Continuing to study under superb leadership, Godbee started his former church Inner Court Christian Center (Detroit) where he pastored before he transitioned to North Carolina. In 2011 Bishop Joby Brady and Pastor Sheryl Brady appointed him the new Pastor over The River Church, where he continues to honor their legacy and carry forth an innovative vision. In May 2018, Ronald Godbee was consecrated as Bishop of The River Church Durham.

Bishop Godbee has been diligent and adamant about utilizing The River Church as a place to save souls but as a place designed to serve the Durham Community at large. The vision of The River Church is to bring the Kingdom of God into the earth by empowering its members to learn, grow, and most-importantly serve. Bishop Godbee has done a stellar job of leading by example, serving his church and community by teaching the word of God unapologetically. Strengthening the ties between the church and the community, Godbee serves on boards such as The Faith Base Leaders Board at Duke Health Equity & Disparity Dept., FBON Board & Gospel Heritage Board. Bishop Godbee also serves as the presiding Prelate of River Fellowship International. The greatest example of service Bishop Ronald Godbee displays is to God and his family, Pastor Karla Godbee and his children Kindale, Ronald Jr., and Kharrington. Authored Books: Why Leaders Fail

LEADERSHIP ROLES & MINISTRY OVERVIEW

Leadership Roles

Lead Pastor:

Bishop Ronald L. Godbee, the Lead Pastor, is responsible for delivering the sermon during scheduled church services, praying for members/attendees and the community, just to name a few of the many responsibilities. The Lead Pastor may also arrange for guest Pastors/Bishops to deliver the message to The River Church congregation. Bishop Godbee leads the Executive Pastoral team and staff. All events, church meetings, financial records, and other church business will be reviewed and approved by Bishop Godbee. He may also choose to serve as a coach or mentor to attendees, preside during a funeral, officiate a wedding, and other services.

Pastor:

Pastor Karla Godbee, wife of the Lead Pastor, will provide support and assistance to the Lead Pastor. Pastor Karla will work with the Pastor's Assistant to manage the Lead Pastor's schedule.

Executive Pastor:

The Executive Pastor is responsible for managing all operations for The River Church, and overseeing the Ministry Leads and volunteers. The Executive Pastor manages the staff's schedule. The Executive Pastor reports to the Lead Pastor, and serves as the liaison for all church business.

Executive Pastoral Team

The Executive Pastoral Team along with assistance from the Elders and Ministers are responsible for serving and praying for attendees who have special prayer request, and providing additional needs during services and other events. The Executive Pastoral Team reports to the Lead Pastor.

Elders:

Elders are elected people of wisdom who discern a situation. Elders govern infractions, conflicts, and disputes upon the church as a mediator and a moderator. Elders focus on the functionality and order of the church, and assist with ensuring that the church operates in order. They report to the Lead Pastor.

Deacons:

The New Testament makes it clear that the general function of deacons is to perform various services of a practical nature in the Church, thus relieving the elders of burdens which might interfere with their ministry of spiritual oversight.

- The Deacons of The River Church serve at the behest of the Lead Pastor
- The Deacons serve for an unspecified period of time
- The Deacons role is a non-advisory role

Acts 6:1- And in those days, when the number of the disciples was multiplied, there arose a murmuring of the Grecians against the Hebrews, because their widows were neglected in the daily ministrations.

Acts 6:2- Then the twelve called the multitude of the disciples *unto them*, and said, It is not reason that we should leave the word of God, and serve tables.

Acts 6:3- Wherefore, brethren, look ye out among you seven men of honest report, full of the Holy Ghost and wisdom, whom we may appoint over this business.

Executive Ministry Leads:

Executive Leads provide operational and administrative oversight and guidance to ministries and ministry leads, ensuring ministries are effective in serving the kingdom and aligned with the vision, mission, and brand of The River Church. This includes the following responsibilities (additional responsibilities may be added by the Executive Pastor or Lead Pastor):

- Overseeing ministries and communicating the heart of the Lead Pastor, as well as the vision, mission, and brand of The River Church to ministry leads.
- Developing, coaching, mentoring, and advising ministry leads.
- Acting as an advocate to help ensure ministries and ministry leads are equipped with the resources needed to be effective in serving.
- Overseeing ministry operations to ensure ministries and ministry leaders follow The River Church protocols.
- Downloading relevant information from the Lead Pastor to Ministry Leads; and uploading relevant ministry information and updates (as necessary) from the ministry leads to the Pastoral Lead, Executive Team and Lead Pastor.

Executive Leads report to the Executive Pastor, unless otherwise authorized by the Lead Pastor.

Ministry Leads:

Ministry Leads serve as the leaders of particular ministries and are responsible for leading their team of volunteers. Other responsibilities may exist provided by their Executive Lead. The Ministry Leads report to an Executive Lead.

Ministry Lead responsibilities fall into three areas: Tools, Process, and People:

- Tools: Accountable for ensuring tools are in place, up-to-date and being used appropriately and consistently to lead, manage and sustain the ministry, including the following: Ministry Procedures, Communication Tools, Administrative tools (i.e. budgeting, record-keeping, rosters), Training-related tools/materials
- Process: Accountable for ensuring ministry processes are in place, communicated effectively, in alignment with The River Church protocol and being consistently followed by ministry members and leaders.
- People: Accountable for ensuring the ministry is consistently addressing and considering the needs, challenges and interests of the people in the ministry (including volunteers, leaders, visitors/guests and partners of the ministry), while fostering and maintaining the culture of the house.

Each of The River Church ministries will have either one or three Ministry Leads. For ministries authorized by the Lead Pastor to only have one Ministry Lead, that Ministry Lead has responsibility for the Tools, Processes, and People aspects of the ministry. For ministries authorized by the Lead Pastor to have three Ministry Leads, the River 3-Prong Approach (described below) is automatically applied. As part of this approach, the Executive Lead of that ministry will assign one ministry lead as the Tools Lead, one ministry lead as the Process Lead, and one ministry lead as the People Lead, based on the strengths and interests of each lead.

River 3-Prong Approach to Ministry Leadership

The 3-Prong Approach to ministry leadership is a strategic approach developed by The River Church to ensure sustainability of ministries, as well as support and succession planning for Ministry Leads. The 3-Prong Approach delivers the following value-added benefits:

- Reducing the stress of leading by ensuring ministry leads are in roles that complement their strengths and interests
- Balancing of the load and weight of leading a ministry across three leaders instead of one
- Cross-training of leaders to ensure necessary coverage for the ministry is always in place
- Succession planning for the ministry through effective policies, procedures, and technical systems
- Creating accountability amongst leaders by dividing up and assigning clear roles

Ministry Overview

Interest in Ministry and Orientation:

There are several ministries designated to serve The River Church attendees, and community. The full list of ministries is outlined in the Appendix. Interest in a ministry may be expressed to the Ministry Leader at any time upon completion of the following:

- Graduation from the Covenant Connection Class; and
- Policy and Procedure Manual must be read and the Acknowledgement of Receipt signed.

Upon completion of these steps, the Ministry Leader will contact the interested individual to schedule a meeting, in order to assess skill, and to provide an overview of the ministry. Expressing interest in a ministry does not guarantee acceptance for service. Ministry Leaders may assess the need and/or timing of an opening for new volunteers (which is approved by the Lead Pastor). Every volunteer and Ministry Leader are required to re-enroll in the ministry of interest on an annual basis. Continued involvement in a ministry will be assessed by the Executive Pastoral Leadership. Volunteering and/or serving as a Ministry Leader or Ministry Co-Leader is not a lifelong commitment or appointment. The Executive Pastoral Leadership reserves the right to assess, reassign and/or terminate the status of all volunteers and Ministry Leaders and Ministry Co-Leaders at any time. As such, decisions are based on commitment and adherence to

the Policy and Procedures as set forth. All volunteers are requested to maintain an updated demographic profile with The River Church Administration.

The expectations of the Ministry Leader include, are not limited to the following: outline the goals and guidelines of the ministry (within the confines of The River Church Policy & Procedure Manual), plan the team/ministries monthly and quarterly training and outreach event calendar and submitting to the Executive Pastor for approval, complete and submit a monthly report of all meetings, trainings, outreach events, plan and manage the service schedule for the team of volunteers and communicate to the team in a timely manner. The Ministry Co-Leader serves as a back-up to the Ministry Leader when the Ministry Leader is unable to attend a service, outreach event or meeting, unable to serve in full capacity of duties, or otherwise noted by the Ministry Leader and Executive Pastoral Staff. The Ministry Co-Leader is expected to serve within the same expectations as the Ministry Leader.

The orientation period for volunteer service is set by the Ministry Leader. However, at least four training/shadow sessions are required before the new volunteer is able to serve in full capacity. The new volunteer will be evaluated during the training sessions, and for the first 60 days, or the equivalent of providing volunteer services at nine consecutive services/events. All volunteers and Ministry Leaders and Ministry Co-Leaders are required to pay tithes and give offering to The River Church.

To transition from one ministry to another, a Volunteer Interest form needs to be completed and submitted to current and new Ministry Leader for review/approval by the Lead Pastor prior to transition.

New Ministry Structure and Process:

As the need arises for the development of new ministries, The River Church Executive Leadership Team may often identify a member to lead the efforts of the new ministry that fits within the vision of The River Church. The volunteer will be responsible for creating a plan including an overview and the goals of the new ministry, expectations of the leader and team, and how the ministry plans to serve the congregation and community. In the case that a volunteer would like to present an idea for a new ministry to the Lead Pastor, a plan should be drafted and presented to the Lead Pastor for review. Upon identifying that there is a need for the new ministry that is not yet provided by an active ministry, a meeting may be scheduled for the volunteer to present their idea to the Lead Pastor and the Executive Leadership Team. Due to the requirements of maintaining a ministry to align with the vision of The River Church, a presented idea does not guarantee an approved new ministry.

Cultural Diversity and Guests Services:

The River Church is a non-profit organization who assists with the needs of its staff, volunteers, attendees and the community through teaching of the Holy Bible, prayer, service, and ministry. The River Church focuses on recognizing and bringing awareness to cultural diversity and serving all individuals with respect and love. English is the official language at The River Church. As a result, unless all participants are fluent in another language, services and training should be conducted in English.

Expectations:

The Ministry Leader is responsible for the training and development of the volunteer team members. Team members are expected to actively participate in outreach activities, development opportunities, and regularly attend: team and volunteer meetings, church services, and other pertinent events. Evaluations are conducted with volunteers and Ministry Leaders during orientation, the first six months, and subsequently on an annual/as needed basis.

Cross training opportunities will be available to assess the individual's ability to function well in a different/additional ministry, or leadership opportunities within the ministry service. Cross-training opportunities will be reviewed by the Ministry Leader(s), and Executive Leadership with final approval by the Lead Pastor. The Executive Leadership and/or Lead Pastor reserve the right to limit the number of activities and involvement in various ministries that an individual can serve.

CPR Training may be available to leaders and identified volunteers.

When a volunteer and/or leader performs in a manner that is not representative of The River Church, which also does not align with the policies set forth in this manual, the individual may participate in a series of 'corrective action' meetings. Upon the end of the specified amount of meetings the individual is deemed unable to continue serving on the ministry, the individual will sign a Corrective Action form and will be dismissed immediately from the ministry team. There may be an opportunity to rejoin the ministry team after a six-month to one-year review following the date on the Corrective Action form.

Corrective actions may be taken if you acquire excessive tardy or unexcused absences. If you are absent from work for three consecutive workdays without properly notifying or obtaining authorization from the Lead Pastor, the absence may be considered job abandonment and result in termination.

Breaks and lunch breaks may be assigned by the manager or leader and should not exceed the amount set by the state government in the case of a full eight-hour work day.

Armed Services (Active/Reserve Duty):

Upon notification to serve active/reserve military duty, notify your Ministry Leader and Executive Pastoral Leadership. Your ministry position may be held and made available upon your return from duty.

Bereavement:

The River Church recognizes the importance of family and the difficulties faced following the loss of a loved one. Staff, ministers, ministry team leaders, and volunteers may receive necessary bereavement leave immediately following the death of an immediate family member (your parent, mother/father-in-law, brother/sister, child, spouse, grandparent, grandchild, brother/sister-in-law, son/daughter-in-law, or members of the immediate household, including grandparents of your spouse and step-relationships). If you require additional time off due to out-of-state travel or estate settlement, then the additional time off should have the Lead Pastor's approval prior to taking any leave.

Jury Duty:

To encourage staff to carry out their civic responsibilities, we provide excused time away from work without pay to you if you serve as a juror (or to serve as a witness). If you are excused or dismissed from jury duty prior to the end of your normal workday, you must report to work if it is practical to do so. If your jury duty is extended, you should notify the Lead Pastor as soon as possible and provide your anticipated date of return. Paid staff summoned to jury service must bring a copy of the summons to the Pastor when they first receive it.

Vacation and Personal Time:

We recognize that personal time away from your job can help revive you and make you more effective, so we would like to be aware of your vacation leave. If an employee, the advanced scheduling of your vacation is subject to the approval of the manager based on business needs. A submitted request does not guarantee approval. The Executive team will sign the request to signify a guaranteed approval. Employees and paid staff are awarded vacation based on the Tier Vacation System. One full week of vacation time must be taken consecutively. For example, one full week of vacation cannot be broken into individual days.

Vacation and Personal Time:

Tier Vacation System	Vacation Time (in full week increments)
1 full year of service (After 365 days of service)	1 week of vacation
3 years of service	2 weeks of vacation
5 years of service	3 weeks of vacation
Greater than 5 years of service	Vacation time is earned on a merit basis. Amount of weeks of vacation is determined by the Executive Board according to the Employee's Performance.

All ministers, leaders, and volunteers - vacation requests should be submitted to the respective leader and Executive Pastor for notification and review at least 15 days in advance.

When you must miss work due to your own illness or injury, or the illness of an immediate family member (spouse, child, or parent) for whom you are needed to provide care, you are asked to notify the manager, leader, or Executive Pastor of the requested amount of days off. Employees and paid staff will receive five (5) personal days per calendar year, depending on the month you begin employment. Personal days will not roll-over at the end of the calendar year. Personal days may be used independently and not included as part of a week of vacation.

Abuse of Attendance and Vacation Time Clause:

Time away may not be taken on service days, unless in the case of an emergency, personal time may be used with appropriate notice. Once vacation and/or personal time is taken, any additional time used can withhold pay, and is subject to disciplinary action up to termination.

Leave of Absence (Maternity Leave, etc.):

An employee, leader or volunteer may request a personal leave of absence. The request should be submitted in writing 30 calendar days prior to start date of leave of absence and will be evaluated by management on an individual basis. It is required that the written request be accompanied by the doctor's documentation. Written approval may be granted if warranted by unusual and/or pressing circumstances, and if business requirements can accommodate the period of absence. The maximum length of personal leave is 30 calendar days (an extension may be requested based on extenuating circumstances). Personal leave will be granted without pay. Reinstatement following a personal leave of absence is not guaranteed. If you do not return to

work at the end of the leave period, you will be considered to have voluntarily terminated your employment/position. Maternity leave may be granted without pay, with the maximum length of 75 days.

Evaluations and Corrective Action

Evaluations:

The purpose of an evaluation is to provide a summary of performance and conduct/behavior feedback, and outline goals and development plans. For employees, a 90-calendar day orientation and evaluation period should be successfully completed to continue employment. The employee and manager determine if the expectations of the position are met and if the employee has knowledge of the position and satisfactorily perform the necessary skills. All ministers, leaders and volunteers will receive a conduct and performance evaluation annually. Quarterly meetings and corrective action may be reported. It is important for the evaluated individual to have successfully completed training, and have a full understanding of their responsibilities. Areas of evaluation include excellent, satisfactory, need to improve/verbal warning, need to improve/written warning, need to improve/written suspension, and termination. Excellent performance rating indicates excellent service in most or all areas, and satisfactory service in few or no areas. Satisfactory performance rating indicates satisfactory in most or all areas, and unsatisfactory in few or no areas. A plan of action will be identified for all ratings below satisfactory. Need to improve/verbal warning performance signifies satisfactory in some areas, and unsatisfactory in some areas. Need to improve/written warning, followed by the verbal warning, performance rating signifies satisfactory in few areas, and unsatisfactory in most areas. Need to improve/written suspension, followed by written warning, performance rating indicates unsatisfactory in most to all areas, with no evidence of improvement. Termination may be determined after a written suspension or otherwise reported and indicates unsatisfactory in all areas, with no evidence of improvement. During evaluations the evaluated individual may include their major achievements, how well they served others, areas to improve, training/cross-training opportunities of interest, and other goals.

Positive and open communication between leaders and volunteers and between employees and management are important at The River Church. You are encouraged to speak freely to your Manager/Leader regarding matters affecting your work. We welcome your ideas and suggestions, and want to be aware of any problems and concerns you may have. You may sometimes have problems and questions related to your work. It is important that you discuss and resolve these problems and questions quickly, before serious conflicts and misunderstandings develop.

Corrective Action:

A need for corrective action can often be identified by the leader of a team member, manager of an employee, or Executive Pastor/Lead Pastor of a leader or manager. There are three levels of corrective action- verbal warning, written warning, and written suspension. In-person meetings may be required for corrective action review. Employees, leaders, and volunteers must sign a form that the meeting took place and to discuss the situation and seek opportunities for improvement.

Departure Strategy:

Employees, staff, and volunteers should provide a two week notice to the Manager and Ministry Leader(s) prior to departure from any position or ministry. Ministry Leaders should provide a one month notice to Executive Pastoral leadership and the Lead Pastor prior to departure. All notices are maintained on file for at least a period of seven (7) years. A departure survey and interview may be conducted by Executive Pastoral Leadership. Additionally, should a volunteer, or Ministry Leader desire to return to service re-orientation and/or evaluation may be required prior to return.

COVID-19 Pandemic: Policy & Procedure

The River Church policy and procedure is created to prepare, plan and educate our community whose members may include vulnerable populations on coronavirus disease and its transmission. The Centers for Disease Control and Prevention (CDC) encourages faith-based organizations to prepare for the possibility of a COVID-19 outbreak in their local communities. The River Church will employ the CDC recommendations on Coronavirus as guides throughout the assessment, planning, implementation and evaluation of policies and procedures.

Before a COVID outbreak, The River Church will establish ongoing communication with the Durham County Department of Health to facilitate access to relevant information before and during an outbreak. This contingency plan includes flexible policies and procedures to accommodate public health recommendations to reduce infection. The River Church will engage key partners across both public and private sectors, such as local businesses, schools, other community- and faith-based organizations. The specific details of the plan are based on the extent of the outbreak, The River Church membership, workforce, complexity of day-to-day operations, and on-site and off-site services to vulnerable populations. Additionally, The River Church will continue to build and maintain strong local government and state alliances to ensure adherence to local and state regulations and securing of valuable resources.

Following the mandates of state government, The River Church will adhere to capacity standards. To prevent over-crowding at the entrance, all attendees are encouraged to register on the River's Website upon arrival on church grounds. Attendees will be notified when to leave their vehicle and enter the church. The River Church will offer separate entrance and exit doors. Upon entry to sanctuary, all people will adhere to six (6) feet distancing except in cases where individuals or families live together.

Each individual entering the church for whatever reason are provided with educational materials and assessed for COVID symptoms via questionnaire and temperature checks, (see Attachment A), and hand sanitizer. For those allergic to sanitizer, soap and water may be used. Individuals not meeting the recommended requirement, for example a temperature over 100.3 will be encouraged to call their primary physician or the COVID hotline for further instructions. During working hours, individuals employed by The River Church experiencing COVID symptoms or suspecting of coming in contact with someone with a diagnosis of COVID will be

The River Church Health and Wellness Ministry's registered nurses will provide follow-up phone calls to all individuals with potential COVID symptoms to encourage adherence to medical plan and offer community resources.

Changes to the policy and procedure are based on local/state mandates and church scenarios during a COVID-19 outbreak. Special attention to the needs of older adults, persons with disabilities, and other individuals with access and functional needs are prioritized. This policy and procedure plan will be reviewed annually and as needed by The River Church leadership.
